

## **Adopt-A-Classroom Program**

Saint Joseph School has implemented a program called "Adopt-A-Classroom," and we are very excited to share it with you. This program provides parents, businesses, and members of our community the opportunity to join our school family. The Adopt-A-Classroom program is a way to assist the teachers and enhance the education of our students. **Go to our website at [stjosephdanville.com](http://stjosephdanville.com). Click on the "Classroom Wishlists" tab at the top. There you will find a list of requested items or, if you would prefer, you may make a flat donation to St. Joseph School.**

**You can help!** Any business, individual, or group of individuals may sponsor or "adopt" a classroom. Perhaps you'd like to make a donation in memory of a loved one. The donor then selects a specific classroom or lets us choose one for them. You may adopt as many classrooms as you wish; our goal is to have every class adopted!

**How is the money used?** 100% of your contribution, no matter how large or small, goes directly into that classroom for academic enrichments. The teacher is given the opportunity to determine how best to spend the money in his or her classroom. For example, some teachers may decide to purchase computer software, books, visuals aids, or supplies. Others may choose to combine their money to purchase an item that can be used by a number of students.

**As a thank you...** Your participation in the Adopt-A-Classroom program is very much appreciated. All sponsors will receive a personal thank you letter from the students and teacher of that classroom. In addition, during the entire academic year, a plaque with your name is displayed outside the classroom door.

Should you have any questions, please feel free to contact Mrs. Kimberly Winters, Principal at (570) 275-2435 or [kwinters@stjosephdanville.com](mailto:kwinters@stjosephdanville.com).
